Notice of 2016 AGM weekend, 4th/5th June

At the last committee meeting we discussed options for next year's AGM and Adrian Lack kindly took up the Gauntlet. It has been decided to visit the Cotswolds and the venue is The Bird in Hand at Whiteoak Green, Hailey Nr. Witney, Oxon OX29 9XP

Dates are 4th and 5th June 2016 with the AGM to be held Saturday 4th at the Bird in Hand, the dinner on the same night and followed by our cars attending the Churchill Classic Car show on the Sunday. Churchill is a village about 10 miles from the hotel and the car event is held every 2 years. It is limited to 500 cars and is always oversubscribed so I have provisionally booked 15 spaces cost of £6 per car. There are jazz bands, Autojumble, food etc and cars have to be there by 11am so all fits in well. There are plenty of places to visit in the area for those that might like to make an extra day or two as it is in the heart of the Cotswolds.

The hotel - I have provisionally reserved 15 rooms some double some twins etc and they have quoted £80 single and £ 100 double inc breakfast. I have reserved them for the Friday, Saturday and Sunday so what I suggest is that people book their own rooms direct so if they only want 1 night or 2 or 3 no problem. First come first served basis. Please note room 1 is set up for disabled - there are another 7 ground floor rooms. I have told the hotel that all reservations will be done by 1st Jan 2016 so it does not mess them about. We can sort out menu for dinner later but we will have a room to ourselves for it.

Hotel Contact details are Telephone 01993 868321

website is www.birdinhandinn.co.uk

Please book your rooms direct before the end of the year if possible, mentioning the Association of Healey Owners, and let Adrian know you are attending and if you are bringing a Healey, as he will need to liaise with the Classic Car Show organisers. The AGM on Saturday at the Bird in Hand will of course be open to all, as will be the Meal on Saturday evening, space permitting. Full details will be posted in forthcoming newsletters.
